HALO THE NEW DIMENSION

PROLOUGE:it all begins in the year 2151 when the earth is under attack by the covenant and recently the flood but the flood was beaten when the covenant and the marines teamed up and where stronger than ever. then unfortunetly they split apart right after.

CHAPTER ONE:

The Beginning

I began shooting at the flood and they were taking a beating and so where we. When i decided to use all of my frags and plasmas at once and when I did it created a chain reaction and was stuck to my hand. I was in big trouble. When it exploded it created a warp in the fabric of space and time. The next thing I knew I was back on the ship but I did not see anyone I knew i just saw different people. I walked up to someone and asked where i was he said i was a the the marine base and i said what year is it and he said 2151. I didnt understand. I then asked where captain keys was and he said he said who. the i said never mind. I then continued on and I found a high ranked officer. When I walked up to him he said master cheif. Then i said do I know you. Then he said I cant beleive youre alive.

CHAPTER TWO:

## THE TWIST

"What do you mean you can't believe I'm still alive" I said? "Ok best not to have this conversation here, step into my office" said the officer. "Ok I want answers now" I said. 'You'll get them" said the officer. "Anything you want to know" said the officer. Then I said "first of all who are you". He said "well I'm captain keys. "What" I said. He said "yes and always have been". "Ok now what happened to me" I said. He said "well on the flood mission your ship that you snuck onto malfunctioned and you went into the sun." "Ok then do you have a place I can stay for the night and rest?" "Yes follow me" he said.
